

1 The Writing Process

The writing process consists of the following steps, that tend to overlap and be repeated in

	Active Reading	Active Writing
varying orders:	Pre-Reading	Planning
	Close Reading	Drafting
	Post Reading	Revising

1.1 Pre-Reading

Prereading leads us to ask question: Who? What? When? Where? Why? How?

Questions lead us to answers which lead to more questions, and for the foundation of a written work.
